MEMORANDUM FOR: Director, National Photographic Interpretation Center

THROUGH : Deputy Director for Management and Services

Deputy Director for Science and Technology

SUBJECT : Intelligence Research Techniques Course

REFERENCE : Memo dtd 13 Dec 73 to DTR fm D/NPIC; same subj.

1. I have consulted the OTR staff and reviewed my earlier decision to discontinue OTR administration of the Intelligence Research Techniques Course (IRTC). Regrettably, my position now is the same as that expressed in my memorandum of 15 November 1973. We simply do not have an officer who can be spared from his or her current assignment to coordinate the IRTC.

2. I understand the previous Course Coordinator [REDACTED] prepared detailed instructions on how to conduct the program. Consequently, the NPIC Training Branch should have little difficulty making the necessary arrangements. Also [REDACTED] is available in the Washington area to give any further guidance required.
